BATTLEFIELD

Distance: 0.59 miles

Restrooms: Yes

Stroller Friendly: Yes

Wheelchair Friendly: No

Playground: Yes

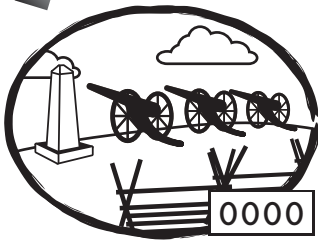

Dog Friendly: Yes

Location: Louser Memorial Park Northeast

CLUES for your hike!

1. Park in the parking area off of North 5th Avenue and East Canal Street.
2. Facing the baseball fields, begin walking to the right in the grass around the outfield fence of the baseball field closest to you/the parking area.
3. Continue walking straight ahead, past the tennis courts, and then turn left immediately after the tennis courts to walk between the fence and the evergreen tree line.
4. Continue walking straight ahead, going past another baseball field on your left.
5. Turn left, and walk between a set of bleachers and a scoreboard, toward a grove of trees.
6. Follow the tree line as it curves right, passing the playground on your left and another baseball field on your right.
7. Continue walking past a yellow and brown pole and a group of 4 trees on your left, turning left after this group of trees, and walk toward the next yellow and brown pole you can see.
8. Ahead, you should see a pond, and the post will be nearby.
9. To return to your vehicle, keep walking in the direction you were going before finding the post, passing the pond on your right, and then turning left at the next yellow and brown pole.
10. Continue walking straight ahead toward the playground, finally turning right to pick up the paved path toward the parking area.

Your **SITE MARKER** rubbing should look like this:

Did You Know?

The Gettysburg Address, given by President Abraham Lincoln at the Soldier's National Cemetery after the Battle of Gettysburg, became one of the most well-known speeches in American history.

BELL

DIFFICULTY

EASY

CLUES for your hike!

1. Turn into the parking area off of North Mill Street and park in the center of the roundabout.
2. Pick up the paved path near the handicap parking, turning left to follow the tree line.
3. Follow the path as it curves to the left, then through the intersection, using the crosswalk.
4. Continue following the path as it loops around.
5. As you approach a set of black bike racks and a white sign/map on your left, turn right.
6. Continue past the red gate, and follow the path left at the fork.
7. Shortly after the path curves right, you will pass some soccer fields and baseball fields, and the post will be on your left between two benches.
8. To return to your vehicle, continue following the path in the direction you were headed, following along as it curves to the right two more times.
9. As you approach the red gate again, turn left and you should see the parking area ahead.

Distance: 0.81 miles

Dog Friendly: Yes

Location: Southeast
Family Park

CLUES for your hike!

1. Park in the parking area off of East Birch Street and South Duke Street.
2. Pick up the paved path and walk toward the playground (away from the baseball field).
3. Follow the path as it goes around the playground, passing another parking area on your right.
4. Once the paved path ends, continue your hike on the grass between the trees.
5. Continue walking along the tree line, turning left at the end of the field, passing a green bench on your right.
6. Turn left again once you approach another green bench, and the post will be on a tree to your right.
7. To return to your vehicle, continue walking in the direction you were headed, between the rows of trees, around the back of the baseball field, and back to the parking area.

FARMING

DIFFICULTY

MODERATE

CLUES for your hike!

1. Pull into the parking area off of Narrows Drive and park near the playground to the left of the parking area.
2. Start the hike on the paved path, beginning at the green "PAVED WALKING TRAIL" sign.
3. Continue walking straight ahead, passing between the playground and green pavilion (pavilion #1).
4. At the first intersection you find, continue walking straight ahead and follow the path as it curves right.
5. At the next intersection, turn left and follow the path as it winds about, turning left at the next intersection you come to.
6. Immediately after passing disc golf basket #15, turn left and head into the woods; you will pass disc golf basket #10 on your right.
7. Follow the trail to the left, and you will find the post ahead on your right. (If you pass disc golf basket #7, you have gone too far.)
8. To return to your vehicle, turn around and retrace your steps uphill to the paved path.
9. Once you reach the paved path, turn left and follow it straight ahead and as it curves right.
10. At the next intersection you come to, continue straight, and then immediately turn left at the following intersection to follow the path back to the parking area.

FORESTRY

Distance: 1.55 miles

Restrooms: Yes

Stroller Friendly: No

Wheelchair Friendly: No

Playground: No

Dog Friendly: Yes

Location: Clarence Schock Memorial Park – Governor Dick Trailhead

CLUES for your hike!

1. Park in the “Trailhead for Governor Dick” roadside parking area off of Pinch Road.
2. Locate the large “GOVERNOR DICK” rock and wooden park sign and pick up the trail that begins immediately to the left of the sign.
3. Follow the trail ahead, walking past the yellow gate on your right.
4. When you reach a Y intersection, turn right toward trail 3.
5. When you reach the next intersection, continue straight, following the yellow blazes and a sign for trail 3.
6. At the following intersection, turn left to continue the trail uphill, passing the first trail on your left, and turning left at the next sign for trail marker 2 (you will pass a bench on your left and a sign for “Narrow Gauge Railroad” on your right).
7. Continue following the red blazes straight ahead, and the post will be just after a set of tree stumps on either side of the trail.
8. To return to your vehicle, continue following the trail ahead.
9. When you reach the next intersection, turn left at the red pole; you should see red circle blazes on the trees and a sign for trail 7 ahead.
10. Carefully continue following the trail downhill for a while.
11. Shortly after passing a brown pole on your left and a red pole on your right, you will pass a sign for trail 5 on your right; continue straight ahead and you will see the parking area.

Your **SITE MARKER** rubbing should look like this:

Did You Know?

Forests cover about 31% of the world's land area and are home to over 80% of the world's terrestrial animals and plants.

Dog Friendly: Yes

Location: Heidelberg

Township Park/Playground

CLUES for your hike!

1. Park in the parking area off of Mill Road.
2. Stand in the grass with your back to the parking area, and turn right to follow the grass perimeter, passing the township building with white garage doors on your right.
3. Shortly after passing a small, old gas station on your right, follow the grass perimeter as it curves left.
4. Continue walking in the grass, alongside the gravel road, and you should pass a farm on your right.
5. Follow the grass perimeter as it curves left again, passing a set of signs on your right.
6. As you continue to walk in the grass alongside the gravel road, you will pass a baseball field and set of bleachers on your left; from there, the post will be straight ahead.
7. To return to your vehicle, keep walking in the direction you were headed, passing the post on your right, and immediately turning left to walk in between (or alongside if needed) the basketball court fence and tree line.
8. Keep walking straight ahead, following the tree line on your right, walking between the tree line and bleachers.
9. Continue following the tree line as it curves left and follows the outline of the baseball field; be sure to stay to the left of the trees to keep away from the road.
10. After passing another set of bleachers on your left, continue walking between the rows of trees straight ahead, passing the playground on your left and the bathrooms on your right, and you will see the parking area ahead.

Your **SITE MARKER** rubbing should look like this:

Pennsylvania has one of the nation's largest state park systems, with 121 state parks encompassing nearly 300,000 acres.

Let's Read More!

Want to learn more about this site marker? Visit your local library and check out their books, or scan this QR code!

CLUES for your hike!

1. Park in the gravel parking area off of North 8th Avenue.
2. Start on the paved path in front of you (between the large rocks and soccer field), immediately turning left after you step on the path.
3. Continue straight into the grass at the first T intersection, walking along the outfield fence of a baseball field.
4. At the end of the fence, turn right, and walk in between the tree line and baseball field.
5. Continue up a steep hill and head toward the baseball field directly in front of you.
6. Once you pass the pavilion on your right, turn right, and head toward the paved path, following it until you reach another parking area.
7. Turn right to follow the path down a steep hill, and the post will be on your left within a grove of trees.
8. To return to your vehicle, get back on the paved path, and continue down the hill, following the path as it heads right at a bench; you will see the parking area ahead.
9. After your hike, for some extra fun, be sure to check out the playground, athletic courts, and other cool spaces further up the hill (off of North 7th Street/Kimmerlings Road).

Visit www.golebcounty.org for information on site marker status, directions to parks, and more!

POTTERY

DIFFICULTY

MODERATE

CLUES for your hike!

1. Park in the parking area off of South Garfield Street near the playground.
2. Standing in the parking area, face the “Cleona Community Park” sign/playground and begin by turning left to follow the grass along the parking area. You will pass a bench on your right and a large shed on your left.
3. After you pass the large shed, turn right and walk through the grass past the baseball field ahead/on your right.
4. Once you reach a small gravel area, turn right and continue walking around the baseball field (the tree line and creek should be on your left).
5. Continue walking ahead, along the creek and behind a second baseball field.
6. You should soon see a gravel trail on your left; continue your hike following this trail as it winds about along the creek.
7. As the trail moves away from the creek, you should see the post nearby; it will be along a tree line to the left of the trail.
8. To return to your vehicle, continue along the gravel trail uphill, picking up the paved path it connects with, and passing some tennis courts and a basketball court on your left.
9. Continue walking along the paved path through the mini golf area and playground.
10. As you approach the brick pavilion, follow the path to the right and it will lead you back to the parking area.

T-REX

DIFFICULTY

HARD

CLUES for your hike!

1. Park in the parking area for Valley View Trail off of T987/Laurel Drive.
2. Find the trail going uphill with white blazes; the trail should be straight ahead when facing away from the road.
3. Continue to follow the trail as it winds uphill, following signs for Valley View Trail and the white blazes.
4. At a double white-blazed tree, take a sharp right to continue the trail uphill, and follow more white blazes as they zigzag sharply up the hill.
5. At the top of the hill, follow the trail to the right, looking for the white blazes ahead.
6. You will pass a double bench area on your right, overlooking the valley below. Continue along the trail uphill to find the post.
7. To return to your vehicle, continue following the trail ahead, following more white blazes.
8. When you reach trail signs for Horse-Shoe Trail and Valley View Trail, turn right and follow the white blazes for Valley View Trail.
9. Continue downhill on the trail as it zigzags as it goes.
10. Closer to the bottom of the hill, you'll pass a double white-blazed tree on your right and come to a large, uprooted tree. Pass this tree on your left, and continue following the white blazes ahead.
11. As you approach the road, look for a blue blaze to your right and turn toward it (at this point, you will be exiting the Valley View Trail and turning onto the Explorer Trail; if you reach the road, you have gone too far).
12. Continue parallel to the road, following blue blazes until you reach a set of trail signs.
13. When you reach trail signs for Valley View Trail and Explorer Trail, turn left and go downhill (following the white blazes) to the parking area ahead.

Distance: 1.94 miles

TRICERATOPS

Distance: 0.87 miles

Restrooms: Yes

Stroller Friendly: Yes

Wheelchair Friendly: No

Playground: No

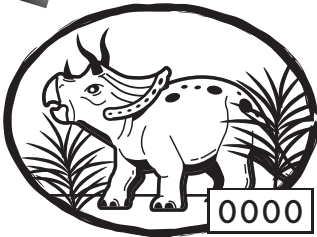

Dog Friendly: Yes

Location: Jackson
Recreational Park

CLUES for your hike!

1. Pull into the parking area off of South Fairlane Avenue, marked with a white “Jackson Recreational Park” sign on a guardrail, and drive to the end of the parking area.
2. With the creek to your right, face a disc golf basket at the end of the parking area, and you should see a path on your left going uphill through two yellow posts (a tan pavilion will also be on your left); start walking along this path.
3. Follow the path as it curves to the left and through another parking area, passing a tan building on your right.
4. Follow the path as it curves left.
5. Continue following the path straight ahead, as it curves left, and then downhill.
6. Just before you reach another set of yellow posts, turn left.
7. Follow the path as it goes back uphill to your left.
8. After passing two tan buildings on your left, the path will end; from there, turn right, and walk through the grass, passing the tan pavilion on your right.
9. When you see the path ahead, turn right, follow it through the yellow posts, and carefully cross the creek straight ahead.
10. Once you reach grass, walk across the open field, cross over the paved path, and you should see the post.
11. To return to your vehicle, turn around and retrace your steps, crossing the paved path, open field, and creek, back to the parking area.

Your **SITE MARKER**
rubbing should
look like this:

Did You Know?

Triceratops is Greek for “three-horned face” but actually only had two genuine horns; the third was on the end of its snout and was made from a soft protein.
