

LEBANON COUNTY
LIBRARIES

JOIN US AS WE

Summer Learning Program runs from June 2 to August 16 at your local library!

Get a Summer Learning activity sheet at your library or visit [lclibs.org/summer-learning/](https://www.lclibs.org/summer-learning/) to download and print one. If you prefer to track your progress digitally, you can do that at [lclibs.beanstack.org](https://www.beanstack.org). Then check your library's website for information about how to receive prizes.

Prizes will vary by library. Join us each week for in-person, video, or live-streamed story times and programs. Visit your library's website to find out when and how to participate.

Have questions? Ask at your library and they'll be happy to help!
